

Happy New Year- It Continues -Multiplication by Honor!

Heart of the Pastor 2010:

Jesus – Yeshua: He is the celebration,

He is the light of the world, He is our Fireworks and He is the explosion of Love in our Heart! Happy New Year! We welcome 2010! We embrace the vision that God has opened for us in the days to come! Whether you are present or with another assembly we join our hearts with yours to bless God for what has past and what is yet to come As we gather together and watch the splendor of fireworks, the beauty of white light all over the nations, let us not forget the relevance and reality this display brings to Christ. He is the true light of the world and as we take time to examine our lives and start a new path take a moment to consider these things.

Matt 9:17; Mk 2:22; Lk 5:37-39

Luke 5:37-38 No one puts new wine into old wineskins, or else the new wine will burst the skins, and it will be spilled, and the skins will be destroyed. But new wine must be put into fresh wineskins, and both are preserved. No man having drunk old wine immediately desires new, for he says, 'The old is better.'
Take this time to examine your life. This is not only for your health and wellness; it is for your focus and freedom. It's time to examine ones house, determine the repairs and make arrangements for the renovation. Let's take a good look at our foundation, our frame and our wiring. We are being called out to truly serve, are you ready? Our sole purpose is for Kingdom Building. We are here to disciple others to Christ. Join us as we endeavor to fulfill this commitment, truth needs no advocate and we can make a difference one step at time, inch by inch. Rabbi Ralph Messer has declared this year 'Multiplication by Honor', we stand with him as we embrace the teaching and instructions that are making a "real difference" in our lives today and changing our future for generations.

Again Happy New Year!

Shalom
